

Old Alabama Town Herb Society

Promoting knowledge,
use and enjoyment of herbs.

Join Today!

About Us: The Old Alabama Town Herb Society (OATHS) is a volunteer organization that began in 1996. Our purpose is to promote the study, growth, and use of herbs in an enjoyable and friendly atmosphere. Programs during the monthly meetings range from historical use of herbs, their medicinal properties, how to make your dishes more flavorful with the use of herbs, educational lectures on research, and how to plant and grow herbs. Many of the programs are hands-on!

OATHS members:

- Plant and maintain five gardens located within a 19th Century Village in Old Alabama Town and a culinary herb garden at the Alabama's Governor's Mansion.
- Share knowledge and experience of its members with the community: schools, church groups, public garden groups, and garden clubs.
- Participate in the school gardening project with T. S. Morris Elementary.
- Sponsor Herb Day annually on the Saturday preceding Mother's Day at Old Alabama Town.
- Sponsor the annual 'Scarecrows in the Gardens' fall event.

Meetings: The regular monthly meetings are held the third Tuesday of the month (except December) at 6:00 p.m. at the Old Alabama Town Loeb Center Auditorium located at 301 Columbus Street, Montgomery, Alabama 36104.
